

This classic wine is our offering to Eurus, Greek God of the East Wind, and is only made in exemplary vintages when Eden Valley Cabernet Sauvignon displays outstanding quality. Eden Valley is typically cooled in the mornings and evenings by Easterly gully winds which are ideal for slowing the ripening and refining varietal flavours.

2013 EURUS Eden Valley Cabernet Sauvignon

Wine Description

Vibrant ruby-red in colour, with lifted aromas of Ribena berries, white pepper, and freshly turned earth. The palate displays complex brooding characters with a rich robust mid palate. A wine that displays lovely grainy tannins, focus and finishes with refinement. A classy wine which will age beautifully for many more years to come.

Winemaking

This wine is from the vintage's best Cabernet Sauvignon barrels and in 2013 produced from a single vineyard from central Eden Valley.

The grapes were handpicked and de-stemmed into an open top fermenter, where they remained on skins for 18 days. Hand plunged daily, and fermented at moderate temperatures the ferment was pressed to a mix of new and seasoned French oak hogsheads for maturation. Matured in barrel for 20 months with no racking, before being naturally clarified and bottled with minimal filtration.

Vineyard | Region

Cabernet Sauvignon 35year-old vines | Keyneton sub-region, Eden Valley

Harvest Dates

6th April, 2013
