

The **2007 FREYA** is 100% Eden Valley Riesling

Freya was the foremost goddess of ancient Germanic lands where the Riesling grape originated. This single vineyard wine honours early German settlers who cultivated the Riesling vine in the exemplary micro-climate of South Australia's Eden Valley.

Wine Description

Displaying hallmark Eden Valley lime and citrus blossom aromas. A crisp, dry and steely styled Riesling with freshness and minerality.

Winemaking

The 2007 Freya Riesling has been hand harvested, chilled to 6°C and whole bunch pressed. It was our intention to make the finest example of an Eden Valley Riesling. The emphasis was on retaining only the purest of free run juice and fermenting it cool to savour the delicate aromas. The ferment was taken to dryness after which the wine was gently fined, filtered and bottled.

Vintage 2007

This vintage was a stand out for Eden Valley Riesling mainly due to the near perfect warm dry sunny ripening conditions from February through to harvest. Great flavour and natural acidity was retained due to the cool nights throughout this period.
