The **2002 REMUS** is 100% Shiraz

A story that has intrigued us for years is the fable of the legendary founders of Ancient Rome, Romulus and Remus. These twins were abandoned at birth and reared by a she-wolf. Romulus murdered his twin in a fit of rage over the naming of Rome, the city which both had built. Legend presents Romulus as the stronger, more powerful of the brothers, while Remus was more refined, focussed and elegant. We believe the twins' characteristics also describe the distinctive and unique flavours and attributes of Shiraz from the twin valleys – the Barossa Valley and Eden Valley.

Wine Description

Lifted Blackberries and liquorice aromas with integrated complexing spice and white pepper characteristics. A rich and sophisticated palate with soft refined tannins and excellent length.

Vintage 2002
