

A story that has intrigued us for years is the fable of the legendary founders of Ancient Rome, Romulus and Remus. These twins were abandoned at birth and reared by a she-wolf. Romulus murdered his twin in a fit of rage over the naming of Rome, the city which both had built. Legend presents Romulus as the stronger, more powerful of the brothers, while Remus was more refined, focussed and elegant. We believe the twins' characterise the distinctive and unique flavours and attributes of Shiraz from the twin valleys – the Barossa Valley and Eden Valley.

2016 ROMULUS Barossa Valley Old Vine Shiraz

Wine Description

Deep garnet in colour with an alluring complex aroma of dark-cherry, plums and roasted vanilla bean. The palate is powerful and well structured, fleshy, with chewy textured tannins finishing with polish and focus. The 2016 was an exceptional Barossa vintage indicating this wine will mature well for many years.

Winemaking

Hand harvested, destemmed and crushed into small 1.5 tonne open topped fermenters. The fruit was chilled for 6 days before being allowed to naturally warm up to start fermentation. To optimise the vineyard expression a range of hand plunging cap management techniques were used across the different vineyard parcels. Post-pressing, the wines were transferred to a combination of new and seasoned French and American oak hogsheads. Matured for 20 months in oak without racking, the wines were then carefully blended, naturally clarified and bottled without filtration.
