

This classic wine is our offering to Eurus, Greek God of the East Wind, and is only made in exemplary vintages when Eden Valley Cabernet Sauvignon displays outstanding quality. Eden Valley is typically cooled in the mornings and evenings by Easterly gully winds which are ideal for slowing the ripening and refining varietal flavours.

2018 EURUS Eden Valley Cabernet Sauvignon

Wine Description

Deep crimson in colour, with vibrant black-olives, spiced-cedar, cloves and fresh blackcurrant aromas. A refined and focused palate, displaying complex brooding characters, with a rounded and fleshy mid-palate. A wine with lovely structural tannins, which will mature gracefully for many years to come.

Winemaking

This wine is from the vintage's best Cabernet Sauvignon barrels and in 2018 was produced from predominantly the Dawkins vineyard which lies east of the Eden Valley township.

The fruit was handpicked and 100% de-stemmed into an open top fermenter, where it remained for 18 days. Naturally fermented and hand plunged daily then pressed to a mix of new and seasoned French oak hogsheads for maturation. Matured in barrel for 20 months with no racking, before being clarified and bottled without filtration.

Vineyard | Region

Cabernet Sauvignon, 27 year-old vines | central sub-region, Eden Valley

Harvest Dates

19th April 2018

Yield

Cabernet Sauvignon 1.5 t/acre
